PRODUCT DESCRIPTION

Date Prepared 7/2011

LAWTON'S BOWL CRÈME is a thickened, non-fuming, fast acting, cost effective toilet bowl cleaner and deodorizer. BOWL CRÈME works well at removing hard water scale, rust or other metallic stains from toilet bowls and urinals. With BOWL CRÈME's bold color and pleasantly scented deodorizer, you can leave it in the bowl after cleaning to deodorize the whole restroom and leave an appealing blue appearance in the bowl.

DIRECTIONS

Lower the water level in the bowl by forcing it over the trap with a bowl mop. Shake excess water out of your bowl mop. Pour BOWL CRÈME directly on the mop. Swab under the rim around the water outlets then the rest of the bowl. Let dwell while cleaning the rest of the bathroom. You may leave the BOWL CRÈME in the bowl to deodorize the room or flush.
