

SEAL • FINISH STRIPPER

**POWERFUL • FAST ACTING
LOW ODOR FLOOR STRIPPER
BIODEGRADABLE • PHOSPHATE FREE**

PRODUCT SPECIFICATION BULLETIN

THE FINEST IN JANITORIAL PRODUCTS, SUPPLIES AND EQUIPMENT SINCE 1946

Product No. 132

PRODUCT DESCRIPTION

Date revised 9/2004

LAWTON'S BREEZE is an easy to use seal and finish remover formulated as an economical, fast acting, low odor stripper. **LAWTON'S BREEZE** rapidly unlocks and penetrates seals and finishes that have been repeatedly burnished and hardened. **LAWTON'S BREEZE** is ideal for use on vinyl composition, quarry tile, paver brick, terrazzo and ceramic floors.

DIRECTIONS

DIRECTIONS: Dilute with water and ventilate the area.

- **Regular Maintenance Stripping:** For best results, dust mop floor, place safety signs, dilute 1 gallon of BREEZE with 4 gallons of water and apply liberally to small area. Allow to stand 5-15 minutes, then agitate using mop or least abrasive pad as possible. Do not allow solution to dry on floor. Pick up solution. Flood rinse with **LAWTON'S FLOOR CONDITIONER** (neutralizer optional) and pick up. Damp mop with clear water. Apply one of **LAWTON'S** quality seals and finishes.
- **Extreme Buildup Stripping:** For extreme buildup and seal removal, dilute 1 gallon of BREEZE with 3 gallons of water.
- **Mop-On Stripping:** For finish removal, dilute 1 gallon of BREEZE with 2 gallons of water.

WARNING: Do not use on asphalt tile, linoleum, rubber, painted surfaces and wood. Pre-test on an inconspicuous area using 1:1 dilution. Allow to stand on the floor 10 minutes. Wipe off with towel, rinse and examine floor for bleeding or softening. Do not continue use of product if any bleeding or softening is observed.

CAUTIONS

CAUTION: Floor may become slippery when stripper is present. Use safety boots. Do not use on asphalt tile, linoleum, wood, rubber and painted floors. Do not get in eyes, skin or on clothing. Protect eyes and skin when handling concentrate. Keep container closed when not in use. In case of spillage, absorb and dispose of in accordance with local applicable regulations.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. Call a physician immediately. Remove and wash all contaminated clothing before reuse. If swallowed, immediately give large amounts of water and call a physician, hospital emergency room or poison control center. If affected by inhalation of vapor, remove to fresh air.

CAUCIÓN: El piso puede llegar a ser resbaladizo cuando el removedor está presente. Utilice botas de seguridad. No utilice en superficies pintadas, de asfalto, linóleo, goma, o madera. No permita el contacto con los ojos, la piel o la ropa. Proteja los ojos y la piel al manejar el concentrado. Mantenga el envase cerrado cuando no se esta usando. En caso del derrame, absorba y disponga de acuerdo con las regulaciones locales aplicables.

PRIMEROS AUXILIOS: En caso de que hay contacto con los ojos o la piel, enjuague inmediatamente con gran cantidades de agua por los menos por 15 minutos. Llame a un médico inmediatamente. Remueva y lave toda la ropa contaminada antes de reutilizar. Si alguien traga el liquido, inmediatamente déles cantidades grandes de agua a beber y llame un médico, el salon de emergencia o un centro del control del veneno. Si alguien es afectado por la inhalación de los vapores, muévalos hacia fuera a donde hay aire fresco.

HAZARDOUS INGREDIENTS:

Ethyleneglycolmonobutylether..... C.A.S. No. 111-76-2
Monoethanolamine..... C.A.S. No. 141-43-5

PROTECTIVE EQUIPMENT

It is recommended to wear protective gloves and protective eyewear when using this or any chemical cleaning product. When spray applying, ventilation and breathing protection is recommended.

TECHNICAL DATA

Total active ingredients..... 22.2% by wt.
 Nonvolatile matter < 3.2% by wt.
 Color & appearance Clear colorless liquid.
 Odor..... Mild solvent odor.
 Viscosity..... Water thin.
 pH..... 13.2 ± .5 @ 25°C.
 Specific Gravity..... 1.00 @ 25°C.
 Weight per gallon..... 8.31 lbs. Per gallon.
 Biodegradable (organic components)..... Yes.
 Phosphorus content..... None.
 Detergent type Nonionic & anionic.
 Foam height..... Low.
 V.O.C. (Volatile Organic Content)..... 19.0% by wt.
 Flash point Nonflammable.
 Shelf life (stored properly) 2 years.
