LAWTON'S GREEN CLEAN is a concentrated neutral floor cleaner, general purpose cleaner-degreaser, non-acid bathroom cleaner and carpet spotter combined into one product. GREEN CLEAN is formulated with the environment in mind. GREEN CLEAN has an advanced surfactant system that puts it way ahead of comparable products. Its cleaning performance exceeds the performance of most hazardous cleaners. GREEN CLEAN does not harm floor finishes, cleans and deodorizes in bathroom areas, cuts heavy oil soiled areas and effectively removes most carpet soil spots.
