

# LAUNDRY BUILDER

## **LD BUILDER**<sup>TM</sup>

COMMERCIAL DETERGENT BUILDER  
FOR USE WITH  
LAUNDRY INJECTION SYSTEMS

## PRODUCT SPECIFICATION BULLETIN

THE FINEST IN JANITORIAL PRODUCTS, SUPPLIES AND EQUIPMENT SINCE 1946

Product No. 701

### PRODUCT DESCRIPTION

Date Prepared: 4/2007

**LAWTON'S LD BUILDER** is a professional strength combination of alkaline detergent builders. It activates the detergent system to its maximum cleaning ability. It assists in stain removal. **LD BUILDER** allows deeper penetration of the detergent, improves soil suspension and prevents soil re-deposition. **LD BUILDER** is designed for use in commercial front loading machines in commercial or institutional laundering operations.

### DIRECTIONS

**DIRECTIONS:** **LD BUILDER** is to be used in the same cycle with the detergent. As part of our laundry cleaning system it **must** be followed in the rinse cycle by **LAWTON'S LD SOFTENER WITH SOUR**. This finishes the cleaning operation leaving the fabric smelling fresh and clean. **LD SOFTENER WITH SOUR** not only freshens the fabric but it also extends the useful life of the fabric.

**INJECTOR SYSTEM:** The **LAWTON BROTHERS LD SYSTEM** is intended to be automatic. The customer must change containers of liquid products as they are emptied. For adjustments to the supply injector, call your **LAWTON BROTHERS** sales representative.

### CAUTIONS

**DANGER:** Alkaline corrosive. Causes severe burns to skin and tissue. Keep out of reach of children. Avoid contact with eyes, skin and clothing. Wear protective safety glasses and rubber gloves when using this product. Causes immediate damage to eyes. If eyes are contacted, immediately rinse with large amounts of water and get medical help. If skin is contacted, rinse immediately with water. Harmful or fatal if swallowed. If swallowed, do not induce vomiting. Drink diluted vinegar or diluted lemon juice as counteractant. Get immediate medical help.

**PELIGRO:** Corrosivo alcalino. Causa quemadas severas a la piel y al tejido. Mantenga fuera del alcance de los niños. Evite el contacto con los ojos, la piel y la ropa. Utilice guantes de goma y lentes de seguridad al usar este producto. Causa daño inmediato a los ojos. Si este producto entra en contacto con los ojos, enjuague inmediatamente con cantidades grandes de agua y consiga la ayuda médica. Si entra en contacto con la piel, enjuague inmediatamente con agua. Dañoso o fatal si se traga. Si se traga, no induzca vomitar. Beba vinagre diluido o jugo de limón diluido como contrarrestante. Consiga la ayuda médica inmediata.

### HAZARDOUS INGREDIENTS:

Potassium Hydroxide.....C.A.S. No. 1310-58-3

### PROTECTIVE EQUIPMENT
