**BUILT LIQUID LAUNDRY DETERGENT
FOR USE WITH
LAUNDRY INJECTION SYSTEMS**

PRODUCT SPECIFICATION BULLETIN

THE FINEST IN JANITORIAL PRODUCTS, SUPPLIES AND EQUIPMENT SINCE 1946

Product No. 595

PRODUCT DESCRIPTION

Date: 3/2007

LAWTON'S LD ULTRA is a top quality liquid laundry detergent complete with builder. **LD ULTRA'S** superior features include synergized deep fiber cleaning and brightening to remove the most stubborn soil and stains. **LD ULTRA** is designed for use in commercial front loading machines in commercial or institutional laundering operations.

DIRECTIONS

DIRECTIONS: **LD ULTRA** is designed to break away and emulsify imbedded soil from your fabric. As part of our laundry cleaning system it must be followed in the rinse cycle by **LAWTON'S LD SOFTENER WITH SOUR**. This finishes the cleaning operation by leaving the fabric smelling fresh and clean and extends the useful life of the fabric.

INJECTOR SYSTEM: The **LAWTON BROTHERS LD SYSTEM** is intended to be automatic. The customer must change containers of liquid products as they are emptied. For adjustments to the supply injector, call your **LAWTON BROTHERS** sales representative.

PRE SOAK: For laundry with heavy oily soil a pre soak with **LAWTON'S WASHING AID L25** diluted 1 to 2 ounces per gallon of soak water is recommended. Pre soak several hours to overnight.

PRE SPOTTING: For laundry with soil spots or stains, pre spot with **LAWTON'S STAIN-X** then put in with your pre soak or add to the washer.

CAUTIONS

DANGER: Alkaline corrosive. Causes severe burns to skin and tissue. Keep out of reach of children. Avoid contact with eyes, skin and clothing. Wear protective safety glasses and rubber gloves when using this product. Causes immediate damage to eyes. If eyes are contacted, immediately rinse with large amounts of water and get medical help. If skin is contacted, rinse immediately with water. Harmful or fatal if swallowed. If swallowed, do not induce vomiting. Drink diluted vinegar or diluted lemon juice as counteractant. Get immediate medical help.

PELIGRO: Corrosivo alcalino. Causa quemadas severas a la piel y al tejido. Mantenga fuera del alcance de los niños. Evite el contacto con los ojos, la piel y la ropa. Utilice guantes de goma y lentes de seguridad al usar este producto. Causa daño inmediato a los ojos. Si este producto entra en contacto con los ojos, enjuague inmediatamente con cantidades grandes de agua y consiga la ayuda médica. Si entra en contacto con la piel, enjuague inmediatamente con agua. Dañoso o fatal si se traga. Si se traga, no induzca vomitar. Beba vinagre diluido o jugo de limón diluido como contrarestante. Consiga la ayuda médica inmediata.

PROTECTIVE EQUIPMENT

It is recommended to wear protective gloves and protective eyewear when using this or any chemical cleaning product.
