LAWTON BROTHER'S N-L-C is a highly concentrated, fast acting, industrial strength, neutral liquid cleaner. N-L-C is specially formulated for daily maintenance of acrylic thermoplastic floor finishes. N-L-C's deep cleaning formula efficiently removes a wide variety of dirt, grime and grease without dulling the shine of coated floors, terrazzo, paver brick, quarry tile, marble, granite, slate and other surfaces not harmed by water.

Rinse and allow to dry thoroughly. Apply the desired LAWTON Floor Finish.
