Product No. 583

PRODUCT DESCRIPTION

Date revised 9/2004

LAWTON'S OVEN & GRILL GEL aggressively penetrates and breaks down baked on food, grease and carbonized food soils. OVEN & GRILL GEL quickly and easily cleans ovens, grills, deep fat fryers, griddles, rotisseries, vents, hoods, charcoal broilers, stainless bake pans and more.

SURFACE CAUTION: Do not use on aluminum, painted surfaces or heating elements.

DIRECTIONS

DIRECTIONS: Wear rubber gloves, protective eyewear and plastic apron. LAWTON'S OVEN & GRILL GEL may be applied by brush or sprayer.

SURFACE APPLICATION: Apply undiluted product onto the surface to be cleaned. Allow to work 20-30 minutes. It works faster on warm ovens or other warm surfaces. Agitate then rinse thoroughly with fresh water. For stubborn soil, a second application may be necessary.

DEEP FAT FRYERS: Fill with water. Add ½ - 1 gallon of LAWTON'S OVEN & GRILL GEL. Boil for 30 minutes. Drain and triple rinse.

DANGER

DANGER: Strong alkaline corrosive product. Causes severe burns to skin and tissue. Keep out of reach of children. Avoid contact with eyes, skin and clothing. Wear protective safety glasses and rubber gloves when using this product. Causes immediate damage to eyes. If eyes are contacted, immediately rinse with large amounts of water and get medical help. If skin is contacted, rinse immediately with water. Harmful or fatal if swallowed. If swallowed, do not induce vomiting. Drink diluted vinegar or diluted lemon juice as counteractant. Get immediate medical help.

PELIGRO: Producto corrosivo alcalino fuerte. Causa quemadas severas a la piel y al tejido. Mantenga fuera del alcance de los niños. Evite el contacto con los ojos, la piel y la ropa. Utilice guantes de goma y lentes de seguridad al usar este producto. Causa daño inmediato a los ojos. Si este producto entra en contacto con los ojos, enjuague inmediatamente con cantidades grandes de agua y consiga la ayuda médica. Si entra en contacto con la piel, enjuague inmediatamente con agua. Dañoso o fatal si se traga. Si se traga, no induzca vomitar. Beba vinagre diluido o jugo de limón diluido como contrarrestante. Consiga la ayuda médica inmediata.

HAZARDOUS INGREDIENTS:

Potassium hydroxide..... CAS No. 1310-58-3

PROTECTIVE EQUIPMENT

It is recommended to wear protective gloves and protective eyewear when using this or any chemical cleaning product. When spray applying, ventilation and breathing protection is recommended.

TECHNICAL DATA

Total active ingredients..... 25.85% min.
Nonvolatile matter..... 25.85% max.
Color & appearance..... Clear amber liquid.
Odor..... Mild to odorless.
Viscosity..... Thick liquid.
pH..... 13.9 ± .1 @ 25°C.
Specific Gravity..... 1.180 @ 25°C.
Weight per gallon..... 9.8 lbs. per gallon.
Biodegradable (organic components)..... Yes.
Phosphorus content..... None.
Detergent type..... Anionic & amphoteric.
Foam height..... Moderate.
V.O.C. (Volatile Organic Content)..... None.
Flash point..... Nonflammable.
Shelf life (stored properly)..... 2 years.
