

# BATHROOM CLEANER

# P & M<sup>TM</sup> THICKENED PORCELAIN AND METAL CLEANER

## PRODUCT SPECIFICATION BULLETIN

THE FINEST IN JANITORIAL PRODUCTS, SUPPLIES AND EQUIPMENT SINCE 1946

Product No. 241

### PRODUCT DESCRIPTION

Date revised 9/2004

**LAWTON'S P & M** thickened bathroom cleaner concentrate is a safe, mild, non-fuming acid cleaning product. LAWTON'S P & M is designed as a multi-purpose bathroom cleaner. Its areas of use include: porcelain, toilet bowls, urinals, bathtubs, shower stalls, metal fixtures, stainless steel, drinking fountains and more. LAWTON'S P & M easily removes soap scum, hard water deposits, scale and all but the toughest rust stains. Used daily, LAWTON'S P & M prevents the buildup of unsightly mineral deposits.

### DIRECTIONS

**DIRECTIONS:** For maximum effectiveness on extremely soiled or encrusted areas, use P & M full strength. The thickened P & M allows more cleaner to cling and work longer on these encrusted areas including verticle surfaces. For use as a daily cleaner, P & M may be diluted from 24 to 64 ounces per gallon of water. Apply P & M with a sponge, scouring pad, rag or bowl swab. Allow to sit 1 to 5 minutes then agitate and rinse.

### CAUTIONS

**CAUTION:** Do not swallow. If swallowed, get medical help immediately. Do not get in eyes. If eyes are contacted by product, rinse thoroughly with cool water. If cleaning by hand, it is recommended to wear rubber gloves to protect skin from irritation. KEEP OUT OF REACH OF CHILDREN.

**FIRST AID: SKIN OR EYES:** If contacted, rinse completely with cool water. If irritation persists, get medical help. IF SWALLOWED: Do not induce vomiting. Any common pharmaceutical anti-acid is antidotal. Get immediate medical help.

**CUIDADO:** Este producto no es para beber. Si se traga, busque asistencia médica inmediatamente. Evite contacto con los ojos. Si hace contacto con sus ojos, enjuáguelos con agua fresca. Si limpia a mano, es recomendado que use guantes de goma para proteger su piel contra la irritación. SIEMPRE MANTENGA ESTE PRODUCTO FUERA DEL ALCANCE DE LOS NIÑOS.

### HAZARDOUS INGREDIENTS:

Phosphoric acid..... CAS No. 7664-38-2  
Ethyleneglycolmonobutylether..... CAS No. 111-76-2

### PROTECTIVE EQUIPMENT
