THE FINEST IN JANITORIAL PRODUCTS, SUPPLIES AND EQUIPMENT SINCE 1946

Product No. 611

PRODUCT DESCRIPTION

Date revised 9/2004

LAWTON'S RELEASE is a versatile, low pH carpet cleaner that can be used with bonnet systems, as a spotter and as a pre-spray with your extractor. **RELEASE** is formulated for intermediate cleaning and complete renovation of wool, olefin, nylon, stain resistant carpets and carpets treated with carpet protectors. **RELEASE** works quickly to emulsify dirt and soil, breaking it down, and through capillary action, lifting it to the surface for easy removal.

DIRECTIONS

DIRECTIONS: Test carpet for color fastness and effect on texture on an inconspicuous area before cleaning. Remove furniture. Vacuum carpet to remove loose soil.

PRE-SPRAY FOR CARPET EXTRACTION: Dilute **RELEASE** (1:8) 16 ounces per gallon of water. Spray the area then wait 5-10 minutes. Extract the carpet with **LAWTON'S RETRIEVER** extraction concentrate at ½ to 1 ounce per gallon of water. On every third extraction use **LAWTON'S BROWN OUT** to neutralize and rinse carpet.

BONNET SYSTEM CLEANING: Dilute **RELEASE** (1:8) 16 ounces per gallon of water. Spray the area then wait 5-10 minutes. Move machine over sprayed carpet in a circular motion with a moistened carpet bonnet. Change bonnet frequently.

DAILY SPOTTING: Dilute **RELEASE** (1:4) 32 ounces per gallon of water. Spray spots thoroughly. Wait 5 minutes then blot with damp, clean turkish towel or carpet cleaning mop.

CAUTIONS

CAUTION: Do not swallow. If swallowed, get medical help immediately. Do not get in eyes. If eyes are contacted by product, rinse thoroughly with cool water. If cleaning by hand for an extended period, it is recommended to wear rubber gloves to protect skin from irritation. **KEEP OUT OF REACH OF CHILDREN.**

CUIDADO: Este producto no es para beber. Si se traga, busque asistencia médica inmediatamente. Evite contacto con los ojos. Si hace contacto con sus ojos, enjuáguelos con agua fresca. Si limpia a mano, es recomendado que use guantes de goma para proteger su piel contra la irritación. **SIEMPRE MANTENGA ESTE PRODUCTO FUERA DEL ALCANCE DE LOS NIÑOS.**

HAZARDOUS INGREDIENTS:

Ethyleneglycolmonobutylether C.A.S. No. 111-76-2

PROTECTIVE EQUIPMENT

It is recommended to wear protective gloves and protective eyewear when using this or any chemical cleaning product. When spray applying, ventilation and breathing protection is recommended.

TECHNICAL DATA

Total active ingredients	15.9% by wt.
Nonvolatile matter	12.3% by wt.
Color and appearance	Light red liquid.
Odor	Lemon floral fragrance.
Viscosity	Water thin.
pH	9.8 ± .5 @ 25°C.
Specific Gravity	1.056 @ 25°C.
Weight per gallon	8.78 lbs / gallon.
Biodegradable (organic components)	Yes.
Phosphorus content	1.0 ± .2 % by wt.
Detergent type	Anionic & nonionic.
Foam height	Low.
V.O.C. (Volatile Organic Content)	< 4.0% by wt.
Flash point	Nonflammable.
Shelf life	2 years.
