THE FINEST IN JANITORIAL PRODUCTS, SUPPLIES AND EQUIPMENT SINCE 1946

Product No. 121

PRODUCT DESCRIPTION

Date Revised 1/2007

LAWTON'S SURPASS is a superior, labor saving, daily floor cleaner and finish restorer in one product. It will exceed all your expectations of conventional floor cleaners or top coat restorers. **LAWTON'S SURPASS** unlocks embedded soil, restores finish durability and allows the floor surface to snap to a brilliant shine when burnished.

DIRECTIONS

DIRECTIONS: For maintenance cleaning and restoration of all high quality LAWTON FLOOR COATINGS. Dust mop daily. Damp mop or auto-scrub with **LAWTON'S SURPASS**.

- **DAILY MAINTENANCE CLEANING:** Dilute **SURPASS** 2 to 4 ounces per gallon of water. Damp mop or auto-scrub and pick up dirty solution. May be burnished when dry.
- **MOP BURNISH METHOD BIWEEKLY OR AS NEEDED:** Maintenance clean and pick up soil. Dilute **SURPASS** 8 to 16 ounces per gallon of water. Damp mop floor and allow to dry. Burnish to a high shine using a 1500-3000 rpm burnisher.
- **SPRAY BUFF METHOD:** Recommended for use on LAWTON'S VISION floor finish using 175-300 RPM machines. Dilute **SURPASS** with equal parts of water. Spray light mist and buff dry with a red pad. Turn and change pad frequently. Next use a white polish pad and buff to a high shine. Dust mop after first buffing.

NOTE: When maintenance cleaning and burnishing no longer restores the desired deep shine, scrub and recoat with the appropriate LAWTON FINISH.

CAUTIONS

CAUTION: Keep out of reach of children. Any liquids spilled on a finished floor will cause a hazardous, slippery condition. Clean up of spills should have immediate attention. Avoid eye contact. For eye contact, rinse with water. If irritation persists, get medical help. Do not swallow. If swallowed get medical help immediately.

CAUCIÓN: Mantenga fuera del alcance de los niños. Cualquier líquido derramado en un piso acabado causará una condición peligrosa deslizada. Cualquier derramamiento debe recibir atención inmediata. Evite el contacto con los ojos. En caso de que hay contacto con los ojos, enjuague inmediatamente con agua. Si persiste la irritación, busque asistencia médica. Este producto no es para beber. Si se traga, busque asistencia médica inmediatamente.

HAZARDOUS INGREDIENTS:None.

PROTECTIVE EQUIPMENT

It is recommended to wear protective gloves and protective eyewear when using this or any chemical cleaning product. When spray applying, ventilation and breathing protection is recommended.

TECHNICAL DATA

Nonvolatile solids.....	7 ± 1% by wt.
Color and appearance	Milky, fluorescent yellow green liquid.
Odor.....	Floral citrus fragrance.
Viscosity.....	Water thin.
pH.....	9.8 ± .5 @ 25°C.
Specific Gravity.....	1.012 @ 25°C.
Weight per gallon.....	8.4 lbs. per gallon.
Dry time, (standard temperature and humidity)	10 to 15 min.
Black heel mark resistance.....	Improves base finish.
Slip resistance	Improves base finish.
Freeze / thaw stability.....	Passes standard.
V.O.C. (Volatile Organic Content).....	None.
Flash point.....	Nonflammable.
Shelf life (stored properly).....	1 year.
